Youth Rifles

The Classic Model 25 Pump Gun

A LEGEND SINCE 1914

Model 25 Pump Gun

- ACTION** Pump action, spring air
- BARREL** Smooth bore steel
- SIGHTS** Blade and ramp metal front/Flip-up peep or open rear, adjustable for windage and elevation
- STOCK/FOREARM** Stained solid wood
- SAFETY** Crossbolt trigger block
- CAPACITY** 50 shot

Daisy's popular Model 25 Pump Gun, first built in 1914, remained a part of the company's airgun line through 1978. A special Centennial Limited Edition, produced in 1986, commemorated the 100th anniversary of Daisy®. Today's Model 25 Pump Gun carries on the tradition, with features found on some of the earlier models: Solid wood pistol grip stock and forearm grip, metal construction, removable screw-in shot tube and fully-adjustable, flip-up peep and open rear sights. The Model 25 Pump Gun legend continues.

Daisy Ammunition and CO2

Not just better choices – better ammo.

Every shooter wants the best ammo possible, and thanks to our Precision Max® line of ammunition the choice is easier than ever. That's because all of our high-quality ammunition comes clearly marked in color-coded packaging, making it simple to find the calibers, quantities and type of ammunition you need. Choose from tins, traditional BB tubes, belt pack boxes, and new easy-dispensing bottles. Customer friendly packaging and performance that's second to none – that's Precision Max ammo.

Daisy Accessories

Model 870 Rocket Shot Target System

Finally...an airgun target system that duplicates the fun of shooting clays!

Just load any empty aluminum can into the Rocket Shot™ silo, press the can down to cock the launcher then shoot the yellow paddle to launch the can. It's fun by yourself or with friends. Standing side-by-side, designate one person to shoot the paddle and take turns shooting cans out of the air. Set up several Rocket Shots for exciting shooting competitions.

Daisy Match Grade Rifles

Start Your Own Shooting Education Program

Daisy® airguns have, for 130 years, been the first gun for most shooters. Today's most accomplished marksmen and most successful hunters will tell you they got started in the shooting sports with a Daisy® BB gun. It all starts here...with a Daisy®.

For youngsters interested in match competition shooting, it all starts with Daisy's 5-meter BB gun shooting education program. Working with premier conservation, civic and religious organizations nationwide, Daisy® has developed the curriculum and the products to teach shooting safety and marksmanship skills to hundreds of thousand of young people annually.

5-meter match competitors compete not just locally but at the state level in order to qualify to shoot at the Daisy National BB Gun Championship Match. Held in Rogers, Arkansas, home of Daisy® Outdoor Products and the Daisy® Airgun Museum, the "Daisy® Nationals" is the nation's largest and longest continuously-running BB gun competition.

The road to the "Daisy® Nationals", to a college scholarship or to international competition begins with the right equipment, the right curriculum and dedicated coaches. The commitment is great but so are the rewards.

If you'd like to start a 5-meter BB or 10-meter pellet rifle or pistol program, please call our **Special Markets Program Department toll-free at (479) 636-1200**. Additional information can be found on the back cover of this catalog.

Daisy®
National BB Gun
CHAMPIONSHIP MATCH

Daisy Match Grade Rifles

The first Daisy Nationals was held July 8th, 9th, and 10th, 1966, in Dayton, Ohio, at the Grand American Trapshooting Grounds. Ohio's Governor was the Chief Honorary Range Officer and teams were housed on Wright Patterson Air Force Base.

The Joplin, Missouri Jaycees BB Gun Team, the "Joplin Jaycees Sharpshooters," who had won their state match in Crestwood, Missouri, became the first national champions. At the opening ceremonies for our fiftieth annual Daisy Nationals in 2015, we reassembled the members and coach of this first championship team.

Model 499B Champion

ACTION	Lever cocking, spring air
CALIBER	.177 (4.5mm) BB
SIGHTS	Hooded front with aperture inserts; adjustable rear peep
MAGAZINE	Single-shot muzzle loading; magnetic BB
retainer.	.177 cal. (4.5 mm) steel shot
SAFETY	Manual
STOCK/FOREARM/GRIP	Monte Carlo, stained hardwood stock; stained hardwood forearm with internal compartments for additional weight for competitive shooting
BARREL	Smooth bore steel
MUZZLE ENERGY	70 ft. lb. (.90 J)

The Daisy® Champion Model 499B has been dubbed "the most accurate BB gun in the world." This spring air rifle is used by shooting education programs to instruct youth on shooting safety, safe carries, shooting positions and marksmanship skills. The stained solid wood stock features an "Official Shooting Education BB Gun by Daisy" medallion. This gun is a single shot muzzle-loader, designed to be used in a one-on-one coaching situation and comes equipped with a precision micrometer adjustable rear peep sight and a competition sling. The Daisy® Champion is the only BB gun approved for use at the premier BB gun event, the Daisy® National BB Gun Championship Match. If you're interested in shooting incredibly tight groups at 5 meters with a BB gun or if you're interested in starting a shooting class and competitive team, the Daisy® Champion Model 499B is for you.

Daisy Match Grade Rifles

Model 1903 Drill Rifle

ACTION

Bolt is the only functional part

SIGHTS

Blade and ramp front, fixed

open rear

STOCK/FOREARM

Full-length, black composite stock

At first glance, the Daisy drill rifle looks like a fully functional 1903-A1 Springfield rifle with a black synthetic stock. But the only feature this rifle shares with a firearm is the opening bolt. The design and durable steel components and synthetic stock make this drill rifle capable of withstanding the abuse that is inherent in drill team use.

4-H Shooting Sports Programs

Hundreds of thousands of young people annually participate in 4-H Shooting Sports Programs where they are taught the proper handling of airguns, small bore and black powder rifles, shotguns and archery equipment. To help local 4-H Clubs begin programs, Daisy has assembled a variety of shooting education kits containing airguns, ammunition, targets, instructor curriculum guides and more. 4-H training and shooting equipment is one important way Daisy keeps on target with its goal of teaching marksmanship and shooting safety. www.4-hshootingsports.org

Education. Instruction. Competition.

The American Legion, the National Rifle Association (NRA), the National Guard Youth Marksmanship Program and Daisy have teamed together to make instruction materials and equipment available. This cooperative effort introduces thousands of young people to the shooting sports at more than 16,000 American Legion Posts nationwide. Thanks to their pinpoint accuracy, Avanti's .177 caliber (4.5 mm) Legend 853, Legend EX 853C, 888 Medalist and 887 Gold Medalist are the air rifles most often used in this exciting program. Skills learned there may carry these young shooters on to competitive programs at the local, state and national level.

Program Development Resource Materials

Daisy and the organizations listed below offer training and education materials for camps, clubs and other associations developing effective airgun training programs. If you're interested, we urge you to take advantage of these materials:

- **10-Lesson Guide** — A complete curriculum for shooting sports programs. Download: www.daisy.com/education
- **Airgun Range Plans** — An outline for the proper construction of an airgun range.
- **Safety Poster** — An easy-to-use guide and poster that illustrates BB and pellet gun safety.

For more information on the Daisy Official Shooting Awards Program or Daisy's Program Development Resource Materials, contact:

Daisy Outdoor Products, Special Market Programs Dept., P.O. Box 220, Rogers, AR 72757-0220 U.S.A.

NSSF Information Brochures

The National Shooting Sports Foundation (NSSF) has a number of informational brochures. Topics include firearms safety in the home, information for parents whose children are interested in shooting, general shooting sports information and more. These materials are available free of charge in limited quantities to teachers or counselors for use in shooting education programs.

For more information, contact: **National Shooting Sports Foundation, Shooting Sports Development Office, 11 Mile Hill Road, Newtown, CT 06470-2359 • www.nssf.org • (203) 426-1320**

It All Starts Here, With a Daisy®.

86% of outdoors enthusiasts surveyed report that they took their first shot with a BB gun. 88% of those who started with a BB gun started with a Daisy®.

Daisy National BB Gun Championship Match, Rogers, Arkansas

Generation after Generation.....

A Daisy® owner is a repeat customer who will purchase a Daisy® - for themselves or another generation. 86% of those surveyed have purchased or plan to purchase a Daisy® BB gun.

1,000,000 Young Shooters

Daisy® Reaches 1,000,000 Young Shooters.

By partnering with leading conservation and youth training organizations Daisy® reaches over **one million** young people annually.

Daisy Shooting Events Reach New Customers.

Daisy's innovative inflatable range design is used exclusively by the National Wild Turkey Federation's highly-respected youth outreach and education program, JAKES Take Aim. In every state, this one-on-one instruction and product demonstration is proven to attract new young and first-time shooters. Intercept surveys at outdoor events and store events indicate that an average of 51% of those shooting at our inflatable ranges are first time shooters.

51%*

of those shooting at our inflatable ranges are first time shooters

* Intercept surveys at outdoor sports stores and events

Daisy® Customers Buy Other Shooting and Hunting Products.

80% of those surveyed participate in one or more shooting sports, such as upland, waterfowl, small and big game hunting, blackpowder and bow hunting, shotgun, rifle and pistol hunting and target shooting.

33% of those surveyed shop for related products more than 12 times per year.

- Your customers take their first shot with a Daisy® BB gun.
 - Daisy® owners are repeat customers.
- Daisy® sponsored programs continue to grow, reaching 1,000,000 young shooters annually.
 - Daisy's inflatable ranges reach first time shooters.
 - Daisy® owners participate in other shooting sports and shop your stores.
- Daisy's shooting safety and marksmanship education program involves thousands of youth and family members nationwide.
 - Daisy's social media campaign promotes its brand and products.

When someone takes their first shot with a Daisy®, they become a shooting sports customer for a lifetime.

Daisy® National BB Gun CHAMPIONSHIP MATCH

The Nationals is the Tip of the Iceberg.

Teams of seven athletes qualify each year at their state match to attend the Daisy® National BB Gun Championship Match. These participants represent the best of the best. Nationwide, there are hundreds of coaches who teach the Daisy® shooting safety curriculum in classrooms, practice with their teams on the range and compete in state matches. Coaches, parents, siblings and extended families who travel with these young athletes are all Daisy® customers – and avid shooting sports customers.

Keep up with Daisy and join the conversation. We look forward to it!
