

T/C® ACCESSORIES CLEANING & MAINTENANCE

T/C® PRO HUNTER™ TOOL

This tool can be used to remove and replace the grip cap, grip, forend and can be used to adjust the rear sight. Allows removal or replacement of the choke tube in .45 Colt/.410 ga barrels.

SKU: 35007992

NIPPLE WRENCH

Made of hardened steel. Fits all #11 nipples (except T/C Scout) and fits musket cap nipples.

SKU: 51017482 - For #11 Nipple Only

SKU: 51017064 - For #11 and Musket Nipple

WEDGE PIN PULLER

Made of hardened steel. Taps out the forend wedge enough for claw end to pull it free. Also has a nipple wrench that fits all T/C® nipples that take #11 except for T/C® Scout™.

SKU: 31007062

XT BREECH PLUG WRENCH

Designed as a backup tool for all Speed Breech XT® Models

SKU: 3100747

IMPACT!™ SB BREECH PLUG WRENCH

Precision steel tool to make removing and installing the breech plug in your Impact!™ SB muzzleloader easy.

SKU: 1093562

ENCORE® BARREL REMOVAL TOOL

Allows easy removal of barrels.

SKU: 35007503

RAMROD ACCESSORY KIT, WITH STANDARD BULLET PULLER

A combination of the most popular ramrod accessories in one pack.

Includes:

- Worm (patch puller)
- Bronze Bore Brush
- Super Jag
- Standard ball & bullet puller
- Cotton bore swab

SKU: 31007234 - .45cal

SKU: 31007298 - .50cal

RAMROD ACCESSORY KIT, WITH PRO HUNTER™ BULLET PULLER

A combination of the most popular ramrod accessories in one pack.

Includes:

- Worm (patch puller)
- Bronze Bore Brush
- Super Jag
- Pro-Hunter™ ball & bullet puller with aluminum alignment tool
- Cotton bore swab

SKU: 31007240 - .50cal

T/C® PRIMER CADDY

Holds a reserve of 209 primers. Keeps them clean and dry and easy to find. Holds 9 primers and stays flexible in the cold weather.

SKU: 31007891

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

POWDER SPOUTS

Makes it easier to pour black powder or black powder substitute without spilling.

SKU: 31007220 - Pyrode™ or Blackhorn 209

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

DOG-BONE 209 PRIMING TOOL

Durable polymer 209 priming tool holds two 209 shot sell primers on each end. Holds a reserve of 6 primers on main shaft.

SKU: 31007808

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

209 FLEX CAPPER

Durable, flexible polymer 209 capper presents two 209 shotshell primers, one at each end, while storing six more. Includes lanyard hole.

SKU: 35008007

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

U-VIEW® IN-LINE CAPPER

Designed specifically for use with any muzzleloaders that use a musket cap or primer. Holds eight caps or primers.

SKU: 31007223 - Musket Caps Only
SKU: 31007219 - 209 Primers Only

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

IN-LINE CAPPER FOR #11 CAPS

Solid brass body with steel jaws. Allows the plunger spring to be locked in compressed position for easy loading. American Made. Holds 17 #11 percussion caps.

SKU: 31007025

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

WORM (PATCH PULLER)

Used for field cleaning or to retrieve a cleaning patch which is lost in the bore. Solid brass with strong spring steel fingers, fits all T/C® muzzleloading calibers.

SKU: 51169010

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

PRO HUNTER™ BULLET PULLER

Specially designed for removing spire point and polymer tipped bullets from the bore of a muzzleloader. Fits 10-32 thread, .50 caliber.

SKU: 51169009

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

BALL, BULLET & WAD PULLER

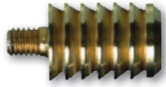

Threads onto ramrod and successfully removes stuck balls, bullets or shotgun wads from the bore of a muzzleloader. Fits 10-32 threads, .45 and .50 calibers.

SKU: 51169014

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

T/C® ACCESSORIES CLEANING & MAINTENANCE

MUZZLELOADER CLEANING JAG

Solid brass cleaning jag holds patches against bore for effective cleaning. Fits 10-32 thread ramrod.

SKU: 51169005 - .50cal
SKU: 53169004 - .54 and .56cal

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

UNIVERSAL LOADING TIP & CLEANING JAG

Knurled brass loading tip that will handle spire point bullets, hollow point conical bullets or round nose bullets. The contour fits all three types, preventing deformation of the tip during the loading process. Fits 10-32 thread ramrod or short starter.

SKU: 54169071 - .45cal
SKU: 54169067 - .50cal

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

EXTENDED SUPER JAG

Knurled to provide maximum contact between patch and bore. Long stepped shank prevents patches from binding. Concave tip allows use for loading with spire point bullets. Adds 3/4" to ramrod. The Extended Jag is necessary for cleaning all 28" muzzleloader barrels. Fits 10-32 threads.

SKU: 54167227 - .45cal
SKU: 54169067 - .50cal

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

SUPER JAG

Knurled to provide maximum contact between patch and bore. Long stepped shank prevents patches from binding. Concave tip allows use for loading with spire point bullets. Fits 10-32 threads.

T/C® ACCESSORIES CLEANING & MAINTENANCE

T17® BREACH PLUG GREASE

Synthetic-based lubricant that withstands the high operating temperatures of muzzleloaders to prevent residue from binding breach plugs. Works well on nipples and shotgun choke tubes. 1/2 oz. tube with applicator tip.

SKU: 31007491

WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

T17® NATURAL LUBE 1000 PLUS™

Enhanced to work with Hodgdon's Triple Seven™ powder. An all natural lubricant which reduces fouling, improves accuracy and prevents rust. Specially formulated to work with sabot bullets. 3 oz. tube.

SKU: 31007479

T17® BREACH PLUG CLEANER/JAR

Solvent for cleaning breach plugs, no brushing or scrubbing required. Shake for 30 seconds then wipe clean.

SKU: 31007433

WARNING: Cancer - www.P65Warnings.ca.gov

T17® FIREARM WIPES

Hand wipes that coat the firearm with a micro thin layer of protectant that withstands the corrosive effects of black powder fouling. Use these wipes prior to hunting in bad weather. Keeps your firearm in factory condition. Quantity 50.

SKU: 31007489

T17® MUZZLELOADER BREACH PLUG WIPES

Quickly wipe off caked on fouling and grease from breach plugs and between breach plug threads. Works great for traditional black powder and most black powder substitutes. Quantity 50.

SKU: 31007541

WARNING: Cancer - www.P65Warnings.ca.gov

T17® FOAMING BORE CLEANER

Effectively cleans and neutralizes the harmful fouling in the bore from black powder and black powder substitutes. Eliminates the need to brush your barrel. 7 oz can.

SKU: 31007495

WARNING: Cancer - www.P65Warnings.ca.gov

T17® BLACK POWDER BORE CLEANER

This solvent is specially formulated to effectively clean and neutralize the harmful fouling left in the bore from Triple Seven® and other black powder substitutes. 8 oz. Bottle

SKU: 31007590

WARNING: Cancer and Reproductive Harm www.P65Warnings.ca.gov

All **T17[®] Solvents** are specially formulated to work on modern in-line and traditional muzzleloaders. T17[®] is designed for use in cleaning the corrosive fouling & plastic deposits from muzzleloaders when using Black Powder, pelletized powder, and black powder substitutes like Triple Seven[®]. This modern formula removes plastic, copper and lead deposits then leaves a micro-thin layer of protectant behind to help prevent rust and corrosion.
