DISCLAIMER

We will not ship firearms to a third party to be modified or changed in any way from manufactured specifications. The firearm you purchase must be compliant AS IS from the manufacturer before we will ship.

Information regarding New York state laws and local ordinances restricting certain firearms and other products presented on this page is accurate to the best of our knowledge. Laws regarding firearms and related products are subject to change, without notice to us. If you have any questions regarding whether you can legally purchase and possess any firearms or other products, contact the New York State Attorney General's Office or the New York State Police for clarification.

All firearms (including muzzle loaders), must be shipped to a federal firearms license ("FFL") holder in New York to be transferred after the completion of a 4473 form and background check. If you purchase a firearm that the FFL dealer is not able to transfer to you because you may not legally possess it pursuant to New York law, you do not have the required license/permit, your answers to the 4473 form indicate that the FFL dealer cannot legally transfer the firearm to you, and/or you fail the background check, you are responsible for return shipping and restocking fees, in addition to any charges from the FFL dealer to whom the firearm was shipped to be transferred.

We will not ship any firearms to FFL dealers in the City of New York (Manhattan, Queens, Brooklyn, Bronx, and Staten Island).
