

T3 Adjustable TactLite Shotgun Stock Modification for Winchester SXP with New Trigger Assembly

Warning:

When handling a firearm, always follow the proper handling procedures at all times. Failure to follow these procedures could result in serious damage, injury, or death. WE are not responsible for damage to property, injury, or death resulting from improper installation, misuse or modification of products. If you are not comfortable completing any of the following steps, or do not have the proper tools enlist the help of your local gunsmith. We are not responsible for components that are damaged due to improper installation.

If your SXP has the new trigger assembly as seen in (Figure 1) or has a receiver with the small tab as seen in (Figure 2) some small modifications will need to be made to allow the SXP mount and grip fit. For inquires on the modifications, please contact us at:
