

Protect Your Guns and Your Workbench!

The Essential Gun Maintenance Mats

Protect your gun and your workbench. Work like a pro on your Lyman Gun Mat. The firm, yet cushioned surface is perfect for assembling and disassembling firearms (or lots of other hobbies!) for cleaning or maintenance and repair. The molded compartments contain spills and keep small parts out of the way of the main work area but still handy and organized. The mats are chemical resistant and clean easily with soap and water. Handgun mat measures 15.75" x 10". Rifle Mat measures 10" x 36".

- Chemical Resistant
- Made from synthetic rubber for a non-slip surface
- Protects your gun's finish and your bench's finish
- Molded-in storage compartments keep parts secured & organized

Essential Gun Mat (#04050)	\$21.50
Essential Rifle Mat (#04051)	\$43.98

Multi Caliber Cleaning Pistol Cleaning Kit 

Covers 380 Auto, 9mm Luger, 38 Special, 357 Magnum, 40 S&W, 45 ACP and 45 Colt calibers. The handle features a rotating attachment point for the rod, which allows the rod to rotate and follow the rifling in your barrel. All the components are packed in a convenient plastic carrying case.

A. The Original Butch's® Bore Shine

Designed by well known bench rest competitor Butch Fisher, this non-abrasive chemical solvent is specifically designed to remove all forms of bore fouling including copper with an absolute minimum of effort and no damage. It will quickly remove carbon build-up, even in difficult to clean areas like the chamber throat. It also removes lead, wax and even plastic shotgun wad build up.

A significant improvement over conventional solvents, Butch's can also control the copper fouling by pushing a few patches soaked with Butch's prior to shooting. Butch's is safe to use on normal and stainless barrels. It is a true "All in One" Cleaner. Try it and you will never use anything else!

Butch's Bore Shine 3.75 oz (#02937) \$12.98
 Butch's Bore Shine 8 oz (#02953) \$18.50
 Butch's Bore Shine 16 oz (#02941) \$32.98

WARNING: This product can expose you to chemicals including 1,2,4 Trimethylbenzene, which is known to the State of California to cause cancer and/or birth defects or other reproductive harm. For more information go to www.p65warnings.ca.gov

C. Butch's® "Triple Twill"™ Patches

Like Butch's bore shine, these patches offer superior performance. They hold more liquid and remove fouling faster than ordinary cotton flannel patches. A special fabric used in laboratories and cleanrooms, Triple Twill's special weave has hundreds of tiny "ridges and drop zones" which scrub and capture fouling residues far better than other patches. Butch's Triple Twill patches don't shed lint and have been specially treated for maximum absorbency.

**D. Butch's® Gun Oil
 U.S. Military proven formula**

Butch's Gun Oil is an ideal bore protectant and conditioner, especially when used with Butch's solvent. It is a proprietary blend of natural oils that withstands the intense heat, friction and pressures produced in a firearm's chamber and bore. The product's rust inhibitor provides the absolute maximum in corrosion protection for both regular and stainless steel firearms. Butch's Gun Oil 4oz (#02948) \$9.98

**B. Butch's® Black Powder Bore Shine -
 Benchrest clean for black powder guns**

Butch's New Black Powder Bore Shine was developed specifically for the Black Powder Shooter who asked for a Better, faster way to clean their Rifles. Butch's Black Powder Bore Shine comes from a special cleaning solvent used by the U.S. Military. This New Black Powder bore cleaner, like the original Bore Shine does it all. Removes Powder, Lead and Plastic Fouling faster than any other cleaner. Best of all it is odorless, non-toxic, non-flammable, biodegradable and protects against rust and corrosion. You can't find a better cleaner for black powder anywhere. Black Powder Bore Shine 8oz. (#02949) \$11.98

WARNING: This product can expose you to chemicals including Methyl Pyrrolidone, which is known to the State of California to cause cancer and/or birth defects or other reproductive harm. For more information go to www.p65warnings.ca.gov

Universal Bore Guide Set

Lyman's Universal Bore Guide Set directs and centers your cleaning rod and jag through the chamber. This protects both the chamber and the bore from abrasion by the cleaning rod during regular cleaning. "Universal" means that this set will fit most centerfire bolt actions and even includes a special adapter sleeve for the AR-15.

Precision machined from durable, anodized aluminum, the set comes with interchangeable tips that cover bore sizes from .17 up to .416 and the thread-on nozzles prevent the guide's sticking in the chamber. The guide's specially machined port makes applying solvent to the inserted cleaning patch easier and neater than trying to push a wet patch into the open end of the guide. The Universal Bore Guide Set works with most cleaning rods like Lyman's new Universal Cleaning Rod System and Jag and Brush Set.

Universal Bore Guide Set (.17 to .416)(#04045) \$23.98

Lyman's Pick and Brush Set

Allows you to clean out all those hard to reach grooves and corners that can't be reached with patches. The picks come in a variety of shapes so that you'll have just the right size to fit into those tight spots. A nylon utility brush is also included for scrubbing away tough powder residue. A "must have" for your cleaning supplies and range bags.

Pick and Brush Set (#04038) \$4.98
